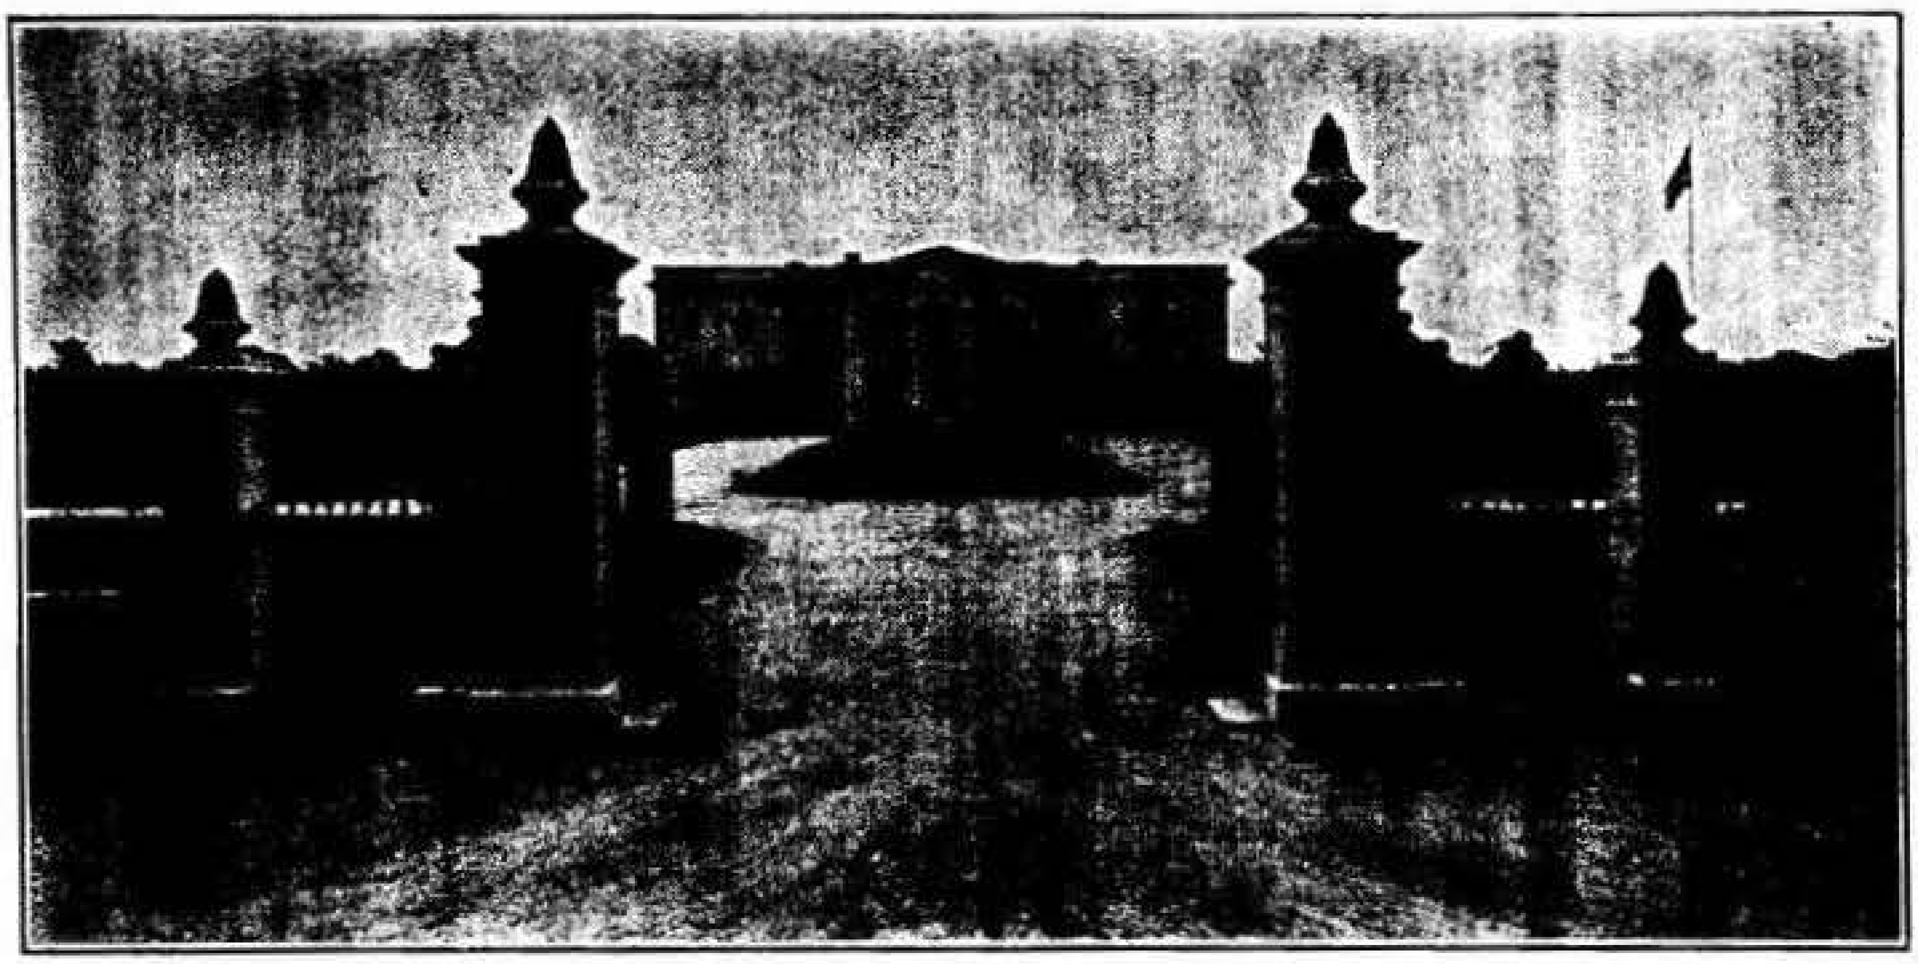
Have You Procrastinated?

Arranging final provisions for your loved ones is a serious problem.



Hillcrest Memorial Park offers you the most beautiful setting in New England for your family lot. The added expense of perpetual care and monument are eliminated. The considerate extra services are without charge. The first cost is the only cost. Terms are arranged on a monthly basis of five dollars.

Our sympathetic treatment of this, your problem, will be a consolation to you in your hour of need.

Necessity compels arranging this matter eventually—

Good judgment suggests doing it now.

A phone call or postcard will bring you complete information in a beautifully illustrated book without obligation.

We invite you to inspect Hillcrest any Sunday between 2 and 5 o'clock. Visit the magnificent Mausoleum and "The Clock of Living Flowers."

To make your history, watch your directory registration to see that it accurately records your position in life from year to year.

THE CIRCULATION OF THE CITY DIRECTORY EXTENDS TO EVERY CITIZEN OF THIS CITY. The Information Bureaus of the City are for FREE public use and your merchant, banker, physician, dentist, hotel and restaurant and garage man expect that the masses of the people shall without hesitation ask for a look at the City Directory.

. . that's why BIGELOW *carpets and keeps their beauty longer*

Bigelow rugs and carpets stand the grind of heavy heels, sharp heels, scuffling shoes, wet shoes because they're made of lively wool—the Bigelow blends of many wools, selected for extra toughness, extra springiness!

In making these special Bigelow blends, our people draw upon 106 years' experience. They know exactly what kinds of wool are needed and in just what proportions to blend them. And they're backed by purchasing power that enables them.

The result is quieter, more restful carpets that spring back under foot. Carpets that stay soft and beautiful longer; carpets that are easier to keep clean and fresh-looking through years of service.

No wonder you find fabrics by the Bigelow Weavers in 90% of America's leading hotels and many of the leading theatres.
